Dear Sir,

We are enclosing herewith CETP membership application duly filled in all the required details for the *“Associate Member” / “Special User Member” category*. Accordingly we have applied to Maharashtra Pollution Control Board for consent to establish / operate and the copy of the same will be submitted to your office, immediately on receipt of the same.

We wish to state that at this moment we do not generate any industrial liquid effluent from our unit. In case, any time in future we start generating liquid effluent from our unit, we undertake to inform CETP immediately to get our Category changed to User Member by paying difference of membership fees, applicable treatment charges and fresh MPCB Consent.

We also undertake to inform you in case our water consumption any time in future goes higher than the declared quantity by us in our membership form and shall pay the charges, if any, accordingly.

In case, CETP detects any discharge of liquid effluent from our unit and not declared by us, our unit shall automatically fall under user member category from the date of our membership with CETP, by paying the difference of membership fees and treatment cost, with interest, at the prevailing rate and any penalty.
